

Instructions for Finding Items for Midwest Motorcycle or Midwest Acorn Nut Company.

If the catalog has an OEM #, you can use the search link to search by OEM, or:

All Midwest Motorcycle Catalog Numbers the exact number found in the catalog, however, you may find several matches on a search because of their numbering system.

Midwest Fasteners and Nuts have been covered back to their catalog numbers:

CALIPER MOUNTING SCREWS			
MK113	FX, FXWG	Stripper Bolt	1977-1983
