As the **DeCesaris/Prout Cancer Foundation (DPCF)** prepares for its 8th annual golf tournament and celebrates its second year anniversary as an official 501C3 foundation, we invite you to join us on June 25th for another amazing day on the greens of Twin Shields! With your help each year, we have been able to increase the funds we raise, making a larger impact on Lung and Ovarian Cancer Research. Help us **bring light to the fight!!**

This tournament began as a way to honor our inspirational, loving, courageous parents. Geaton and Maureen left a legacy of hope, inspiration and courage to all who knew them. Our plan is to continue the tradition by bringing together friends and family who cared so deeply for Geaton and Maureen, and others whose lives are touched by cancer. With the efforts of so many incredible volunteers, donors, (and the intervention of Geaton and Maureen), this year is full of promise and excitement! Come celebrate with us!

Since 2002, The DeCesaris/Prout Golf tournament has contributed greatly to the Cancer community. Last year alone, the DPCF raised almost \$170,000.00 through three fundraisers - The Annual DeCesaris/Prout Golf Tournament, The First Bike for the Fight, and The Lung Cancer Awareness Happy Hour. This has enabled us to continue our alliance with the American Cancer Society, Mercy Medical Center's Oncology Unit, Dr. David Sidransky's lung cancer research at Johns Hopkins Hospital. We are continually working and meeting with various medical institutions, researchers, and programs around the United States, to see where other funds may go. The DPCF was proud to support the National Breast and Ovarian Cancer Coalition's September event in honor of Ovarian Cancer Awareness Month. Please visit our website for more details regarding the research that you have personally helped support.

Those of you who knew Geaton and Maureen personally know that they continue to be the rock behind this tournament. Even in the most trying times, Geaton and Maureen always gave their all to help in the war against cancer. During these tough economic times, many of us find ourselves struggling with what to do with our finances and our time. Our mission is still the same... to **bring light to the fight** in beating cancer. Geaton and Maureen would want us to continue to raise awareness and support research in order to eradicate this horrific disease forever and to keep other families from suffering as they suffered. Help us keep Geaton and Maureen's memory and legacy alive, and join us in our crusade against cancer. We must find a cure - for you, for us, and for all the families affected by this disease around the world. We can win the fight against cancer, but we need your help!

It appears that you enjoy golf too, so please take time out of your day on June 25th and spend a relaxing afternoon on the greens. There are many ways you can contribute. Please see the enclosed forms for information or visit our website at www.dpcancerfoundation.org about how you can help a cause so close to our hearts, and support programs so needed in our communities.

Bring light to the fight against cancer.... join us on June 25th, 2010!

Sincerely,

JoAnn DeCesaris Wellington
